1. Between 11 and 20 October 1950 the situation in the Flak Kaserne, the Luetzendorff Kaserne and the Mueller Kaserne, Weimar (L 51/3 57), and in the Mlieger Kaserne, Nora, was the same as previously reported.

2. From 16 October 1950 until 20 October occurrences similar to those previously reported were observed in the Tannenberg Kaserne. On 19 October 1950 the installation quartered about 800 troops. All buildings were brightly lighted. About 10 trucks

were parked in front of the barracks gate. In addition to onlisted personnel, groups of officers were observed in the billeting area and in the street. The eastern billeting area of the Tannenberg Kaserne had been cleared by troops on 20 October 1950. \*

older troops attending a farewell ceremony in the Tannenberg Kaserne, and then leaving for the railroad station.   
It is believed that additional older personnel, probably soldiers of all Eighth Gds Army units who were due for discharge, attended farewell ceremonies and then left by rail on and after 16 October 1950.
